

Health and Safety Policy Statement

At The Daffodil Project CIC, the health, safety, and wellbeing of our children, staff, volunteers, and visitors is our absolute priority.

We are committed to providing a safe, secure, and welcoming environment where every individual feels protected and supported. We follow all legal requirements under the Health and Safety at Work Act 1974 and regularly review our policies to ensure the highest standards are upheld.

Our safety measures include:

- **Trained Staff:** All staff receive training in first aid, fire safety, safeguarding, manual handling, and risk awareness.
- **Daily Checks:** We carry out daily safety checks on equipment, animal enclosures, and play areas to ensure everything is clean, secure, and hazard-free.
- **Risk Assessments:** Every activity is risk assessed, and individual risk assessments are in place for children where needed.
- **Emergency Procedures:** Fire drills are held regularly, exits are always kept clear, and emergency kits are on-site.
- **First Aid:** A qualified first aider is always present, and parents are informed immediately of any incidents.

We also work closely with local authorities, parents, and professionals to make sure every child is safe and thriving.

If you have any questions or concerns about health and safety, please speak to a member of staff or contact our Director.

Thank you for helping us keep The Daffodil Project a safe and joyful place for everyone.

Signed:

Magdalena Van De Voort

Director, The Daffodil Project CIC
